

NOTE OF THE EDITOR-IN-CHIEF

The *Nasselenie* Review has always been the only academic review in Bulgaria specialised in informing the scientific community and the broad public alike across the country about the research results obtained in the area of demographic studies. The issues of the *Nasselenie* Review published in 2020 are dedicated to 30th anniversary of the Institute of Demography, the first research unit in demography established in the Bulgarian Academy of Sciences in 1990.

This issue contains the research contribution and results of the '*Measures for overcoming the demographic crisis in the Republic of Bulgaria*' project conducted by the Demography Department of the Institute for Population and Human Studies at the Bulgarian Academy of Sciences in the period 2017-2018. All the articles were published in Bulgarian in the *Nasselenie* Review issues in 2019 and selected to be included in the present English edition of the Review under the decision of the Editorial Board.

The publication of this issue shall be credited to the funding of the Bulgarian National Science Fund at the Ministry of Education and Science.
